

Cornell University
Department of Chemistry and Chemical Biology
NMR Facility

Facility Registration Form

The NMR Facility Staff will determine which spectrometer(s) will best suit your research demands. Please fill out this form and consult with Ivan Keresztes (ik54@cornell.edu) and/or Anthony Condo (amc88@cornell.edu) before using the facility.

Please PRINT clearly

Date: _____

Name: _____

Principle Investigator: _____

Department: _____

Account Number: _____

Staff/Postdoc.

Graduate

Undergraduate

Campus Address: _____ Mailbox # (if in Baker): _____

Office Phone: _____ Home Phone: _____

E-Mail: _____

Do you have any prior experience using NMR spectroscopy? If so, please detail the spectrometer model and ¹H frequency (e. g. Bruker Avance-400, Varian INOVA-600, etc.) Please detail the frequency of your usage (daily, weekly, monthly, etc.) and the type(s) of experiments you performed (1D 1H, 13C, etc; 2D COSY, TOCSY, HMQC, etc.)

*****NMR Facility Staff Use Only*****

MERCURY-300

INOVA-400

INOVA-500

INOVA-600
